Premier League

Brockenhurst
College

AFC Bournemouth Community Sports Trust are excited to launch a new Football Education Programme. The full time education course provides talented young female sports enthusiasts the chance to combine academic studies with football development on a course based at Brockenhurst College.

The academic programme allows students to study for a BTEC Level 3 Subsidiary Diploma in Sport (Year 1) and BTEC Level 3 Diploma in Sport (Year 2), alongside maths and English.

Our Female Elite Player Programme will provide you with the comprehensive, high quality training that will make you an outstanding applicant for employment, further education or university.

The course includes an organised games programme against other professional clubs and football academies.

STUDY:

- Bespoke study programme
- Opportunities for progression into: volunteering, work experience, coach education, leisure courses
- Career progressions into scholarship (playing), apprenticeships (coaching), university or full time employment

TRAIN:

- 8 hours of football training per week
- Recovery and gym sessions
- Match every Wednesday
